

SUZUKI MOTOR OF AMERICA, INC.

IMPORTANT SAFETY RECALL

This Notice Applies to Your Suzuki Vehicle Identification Number (VIN)

XXXXXXXXXXXXXXXXXXXX

October 9, 2015

Dear Suzuki Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Suzuki Motor Corporation has decided that a defect which relates to motor vehicle safety exists in certain Model-Year 2012 and 2013 Suzuki SX4 automobiles.

What is the problem?

Insufficient clearance between the power steering pump body and the fluid control valve may cause improper movement of the valve, which can lead to seizure of the power steering pump. If the power steering pump seizes, the pump system cannot provide steering assist. This condition will require the driver to use increased steering effort, increasing the risk of a crash.

What is Suzuki Motor of America, Inc., doing to solve the problem?

If your SX4 is affected by this safety recall, your Suzuki Service Provider will replace the power steering pump assembly. This procedure will take less than two hours to complete. Parts are available now, and there will be no charge to you for any recall service-related parts or labor.
