## IMPORTANT SAFETY RECALL NOTICE

Dear Suzuki Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Suzuki Motor Corporation has decided that a defect which relates to motor vehicle safety exists in certain 2010 Suzuki Equator trucks. According to our records, you own one of the vehicles affected by this recall.

The lower control link bushing collars, located in the front suspension, may contain welds that do not meet strength specifications. If a collar weld separates, it may change the wheel alignment, potentially allowing the vehicle handling characteristics to deteriorate. This could cause the driver to have difficulty controlling the vehicle, which could result in a crash.

Your Suzuki dealer will inspect and if necessary, replace one or both lower control links on your vehicle. This service will be performed at no cost to you for parts and labor.

Please contact your Suzuki dealer to schedule an appointment for this Important Safety Recall. To locate your nearest Suzuki dealer, call toll free (877) 697-8985 or visit our website at <http://www.suzukiauto.com>. The online dealer locator includes driving instructions and maps. Recall instructions and parts have already been sent to your dealer and the recall inspection can be completed in less than one hour if you have an appointment. Should the vehicle require replacement of one or both lower control links, the repair time will be greater. If your dealer has a number of vehicles awaiting service, there may be additional time required.

If your dealer does not make the correction without charge and within a reasonable period of time, we recommend that you contact the American Suzuki Customer Relations Department at (800) 934-0934. If after contacting our Customer Relations Department, you are still not satisfied we have done our best to remedy this condition without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave, SE., Washington, DC 20590 or call toll-free Auto Safety Hotline at (888) 327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within 10 days.
